

Dear Colleague:

The College Student Personnel Association annual conference planning committee is hard at work preparing for the October 8-10, 2006 conference in Syracuse, NY. We hope that **“CSPA 2006: CONNECT”** will help student affairs professionals connect with each other, with colleagues in academic affairs, and with associates beyond the walls of our institutions. Participants will also have the opportunity to renew their commitment to diversity and to the advancement of technology in our field.

The planning committee seeks to provide programs that will inspire our graduate students and new professionals, energize our mid-level professionals, and engage our senior colleagues. The success of the conference is, naturally, dependent on the excellence of the workshops and presentations. **We encourage you to consider submitting a proposal to share your expertise and talents at our annual conference.**

A program proposal form is enclosed with this letter and is also available online at <http://www.cspanys.org/conf.htm>. Please feel free to copy this form and encourage your colleagues to submit a proposal.

Please note that the deadline for submissions is Friday, May 5, 2006. Please send completed program proposals to Programming Committee Chair Erin Sember, Residential Special Programs Administrator, Cornell University, 1501 Dickson Hall, Ithaca, NY 14853 or e-mail the proposal to ems65@cornell.edu.

We are excited for this conference to represent the wealth of dynamic people and resources from across New York and hope you will consider being a part of this experience. Thank you for your time and for your consideration. We look forward to hearing from you.

Sincerely,
